

KS1 Topic Letter - Summer Term 2025

Science

We will be identifying and classifying things which are living, dead and have never been alive. We will be exploring habitats, micro-habitats and food chains, discussing how an animal or plant is suited to its habitat.

Art

We will be using a range of techniques such as tearing, cutting, overlapping and scrunching in order to create a collage in the style of art work by Kurt Schwitter and Henri Matisse.

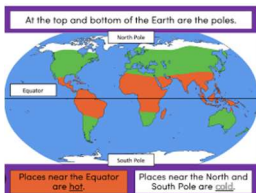

DT

We will be investigating a range of fruits using our senses and looking at existing products in order to design, make and evaluate a fruit salad.

RE

We will be learning about Hinduism and how Hindus believe that there is one God in many forms. We will investigate the use of murtis in Hindu worship.

Geography

We will be finding out about hot and cold places, locating them on a world map and recognising their features. We will be describing some similarities and differences between the UK and Kenya.

History

We will be learning about toys in the past and comparing them to toys today. We will be discussing how they have changed over time.

Music

Singing - On this island

PE

Underarm and Overarm throwing
Games - Striking and Fielding
Athletics

PSHE

Being My Best
Growing and Changing

We are looking forward to our last term together.
Keep an eye on the website and weekly owl boards for updates of our learning.
Thank you for your continued support, the KS1 Team.
