

Could you be an Eco-Champion?

As an Eco Champion, you'll:

-  **Come up with cool green ideas and pledges for our school.**
-  **Help check how eco-friendly we are (and find ways to improve!)**
-  **Encourage everyone to reduce, reuse, and recycle.**
-  **Be a leader in making our school sustainable and planet-friendly.**

If you love nature, want to protect the Earth, and like being a voice for change — this is your time to shine!

To apply, please write a short letter to Miss Zak / Miss DeRosa to explain why you think you'd be a great Eco-Champion before

Monday 12th May.

Our club will run during Wednesday lunch times.
