VE Day Celebrations

On Thursday 8th May, we will be celebrating the 80th anniversary of VE Day at school with a special day of activities and fun! This is a wonderful opportunity for the children to learn about this important historical event while enjoying a memorable day.

To mark the occasion, we invite all children to come dressed in clothing inspired by the 1940s.

Whether it's a vintage dress, a suit, or something more casual from that time, we encourage the children to embrace the theme of the era.

Times Tables

Y4 are getting ever closer to their national test.

Please remind them to complete their TT sessions on time, and do extra if possible on any table they find difficult to learn.
