

End of Year Assessment Information

We are pleased to share with you the 2021-22 end of year assessment results. They are a reflection of the children's and staff's hard work. We are very proud of everyone involved. Please note: at the moment not all of Lancashire and National average data has been finalised, therefore in these areas the 2019 data has been used. These statistics cover the attainment of the pupils who took assessments in summer 2022. It is important to be mindful that these pupils experienced disruption to their learning during the pandemic over the past two years.
