

KS1 Topic Letter
Summer 2026

We are ready and raring for the Summer term in KS1 and hope you are ready and rested too following the Easter break! As always, keep checking on the school website and our owl boards for regular updates of what we're up to in school and do not hesitate to contact any members of the team if you have any concerns/questions! ☺

<p>Science Microhabitats <i>Asking questions about minibeasts and using scientific enquiry methods to find answers.</i></p>	<p>RE Christianity - The Church <i>Children will learn about Christian churches, their features and uses, and how symbols and community reflect values.</i></p>	<p>Music Contrasting Dynamics <i>Developing knowledge and understanding of dynamics using instruments; learning to compose and play rhythms to represent planets.</i></p>
<p>PE Throwing & Cricket <i>Children will learn to throw accurately underarm and overarm and use simple tactics in games. We will also have weekly cricket coaching from Farouk.</i></p>	<p>PR SHE Being my Best <i>Children will learn what being healthy means; how hygiene, daily routines, medicines, and support from adults help them stay healthy.</i></p>	<p>Art <i>Art is usually alternated with DT, but this term we are taking part in an Art project - Mrs Govender will be sharing the exciting details about this soon!</i></p>

Please see separate Homework Project document on 'Homework' tab to see this term's exciting project ideas!

The below subjects will be alternated weekly and therefore these will remain the same for the whole of the Summer term.

<p>History What is a monarch? <i>Understanding the role of a monarch and how it has changed over time; identifying the purpose, structure and evolution of castles.</i></p>	<p>Geography What can you see at the coast? <i>Children will learn to locate and describe the seas, oceans and coasts of the UK using maps and compass directions. They will identify physical and human coastal features and how people use them.</i></p>
--	---

Very excitingly, we will all be off to Outdoor Elements at the end of the Summer 2 term! Details about this, and other events will be shared via Parent Pay! Thank you, as always, for your ongoing support!
