

Horse Chestnut Class

wb 28th September, 2026

English - We will be studying a range of non-chronological reports to develop our understanding of how information can be organised and presented clearly to a reader. We will explore the key features of this type of writing, including headings, subheadings, paragraphs, factual language and engaging vocabulary.

We will then apply what we have learned to begin to write a double-page spread about Clitheroe.

Phonics [Y1] - We will be recapping phonemes that we have already learnt e.g. oi (coin), ear (ear), air (hair) and er (fern).

Spelling [Y2] - We will be continuing to revisit and recap some of the high frequency words from Year 1.

Maths -

Year 1 - Measurement: Length and Mass - we will be comparing and measuring length, height and mass using non-standard units.

Year 2 - Measurement Length and Mass - We continue to measure and record length and height using standard units (cm, m). We will be measuring and recording mass/weight using standard units (g, kg).

Science - We will be continuing to identify and name wild and garden plants. We will be identifying and naming deciduous and evergreen trees.

Geography - We will be identifying features in the school grounds.

PE - Orienteering Games - Catching and bouncing a ball

Music - My Favourite Things - We will be playing short rhythms in time with the pulse.

PR SHE - Me and My Relationships

RE - We will be talking about how and why Christmas night want to talk to God.

thank you
