

Horse Chestnut Class

wb 4th May, 2026

English - We will be independently writing a recount in the role of Benjamin Bunny, planning an innovated escape route and a story innovation for 'The Tale of the Radish Robber'.

Maths -

Year 1 - Number and Place Value - We will be comparing three numbers up to 50, and finding 10 more and less using base 10 and 100 square.

Year 2 - Length - We will be measuring length in centimetres and metres, ordering lengths and solving length problems.

Phonics [Y1] - We will be recapping and consolidating a range of phonemes in order to prepare us for the 'quiz' next month.

Science - We will be asking questions and planning how to carry out an experiment.

Spelling [Y2] - We will be learning how to spell the common exceptions words, e.g. father, many, whole.

Ordering the method

Primary

Pause the stopwatch after each minute and draw tally marks to show the number of woodlice in each section. Repeat for a total of five minutes.	
Place five woodlice in the Petri dish and put the lid on.	
Start the stopwatch.	
Place the Petri dish on top of a paper towel and draw around it.	
Cut the circle out and fold it in half.	
Place the folded circle inside the Petri dish and check the other half of the Petri dish is dry.	
Run the folded circle under the tap to make it damp.	

PE - Cricket skills
Under arm throwing skills.

Music - Theme- Space We will be continuing to compare two pieces of music.

PSHE - Being My Best - 'What helps us stay healthy?'

Art - This half term, we will be completing an art project with Mrs Govender.

RE - We will be creating a 3-D model of a church and labelling the key features that are found within a church.

thank you
