

Horse Chestnut Class

wb 29th June, 2026

English - We will be writing descriptive sentences to invent our own brand new toy. Miss Markham will generate all the images in order for us to write a double-page spread persuasive piece of writing.

Phonics [Y1] - We will be recapping: ir (girl) and er (fern). Our new learning will be the phonemes: or (worm) and ear (pearl).

Spelling [Y2] - We will be continuing learning how to spell the 'si' sound which is often spelt as 'sion', e.g. collision.

Maths -

Year 1 - Multiplication - We will continue to solve problems involving multiplication.

Year 2 - Place Value and Statistics - We will be partitioning a 2-digit number, ordering amounts in statistics and placing numbers on a number line.

Science - Key question: How many towels will stop the marble being felt? We will be using the sense of touch to observe and describe.

PE - Athletics

Music - Theme- Myths and Legends - We will be creating a structure with rhythmic patterns.

PRsHE - Growing and Changing

DT - We will be designing a vegetable salad.

Geography - We will be presenting findings on how people use the local coast.

RE - We will be making challah bread after learning about Shabbat.
