

Horse Chestnut Class

wb 29th September, 2025

English - We will be writing sentences in order to retell the story of Little Red Riding Hood using pictures as cues. Miss Markham and all the staff in Horse Chestnut Class will want to see us using accurate punctuation. We can't wait to publish our own little book!

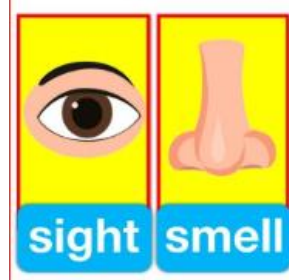

Maths -

Year 1 - Measurement Length and Mass - We will be comparing and measuring length and height. We will be comparing and measuring mass using non-standard units.

Year 2 - Measurement Length and Mass - We will be measuring and recording length and height using standard units (cm, m). We will be measuring and recording mass/weight using standard units (g, kg).

Science - We will be identifying the body parts used for the sense of smell and sight.

Phonics [Y1] - We will be learning the phonemes: wh [which], ph [dolphin], ew [flew] and ew - y/oo [stew] Our tricky words are **oh, their, could.**

Spelling [Y2] - We will continue to learn the common exception words such as beautiful and clothes.

History - We will be identifying the different ways in which people spend their holidays.

PE - Orienteering
Bouncing a ball

Music - Keeping the Pulse - My Favourite Things - We will be playing short rhythms in time with the pulse.

PR SHE - Me and My Relationships

DT - We will be experimenting with levers and sliders in order to find different ways of making things move.

RE - We will welcome The Godly Play visitors into school. They will be sharing the story of Creation with us.

thank you
FOR YOUR SUPPORT
