Apple Class

This week, our learning will be inspired by the book "The Big Book of Families." We will talk about our families and explore different types of families. We will share pictures of our families, before giving the children the opportunity to draw, write and tell us about the people who are special to them.

Phonics

We will be learning the sounds s, a and t.

Maths

We will be singing number songs.

UTW

We will talk about our families and draw our families too.

PSED

We will be talking about our feelings and what makes us feel happy.

PE

We will be learning to hop on both feet.

EAD

In Music, we will explore using voices to make a variety of sounds.

The class page on the website is a great way to see what we have been doing. I'm sure the children will be proud to show you what we get up to!

Thank you for your continued support,
Miss Pritchard, Miss Clarke and Mrs Govender.
