Apple Class

Phonics

We will practise “tuning in” CCVC and CCVCC words such as drum, slug and frost.

Maths

This week, we will be learning about addition, including solving simple problems.

Literacy

We will be reading the story ‘Pirates love underpants.’ We will retell the story and use a story map to help us.

EAD

We will be learning to experiment with playing tuned and untuned instruments, and to play in time to familiar songs.

Pirate Day

We will have pirate day on Friday! Your child is welcome to dress up ready to enjoy the day!

UTW

We will be learning that the place where we live is part of a bigger world with land and water all around it

The class page on the website is a great way to see what we have been doing. I’m sure the children will be proud to show you what we get up to!

Thank you for your continued support,
Miss Pritchard, Miss Clarke and Mrs Govender.
