

Week  
beg.  
12.1.26

# Apple Class

## Phonics

We will be learning the phonemes x, y, z and zz. We will also learn the tricky words we, be and me.

## Maths

We will be partitioning numbers up to 10 into two parts and working on recalling some addition and subtraction facts up to 10.

## Literacy

We will be reading the story 'Lost and Found'. We will be retelling the story and thinking about what we would pack in our suitcase.

## PE

We will be continuing practicing travelling on hands and feet, including jumping, hopping and skipping.

## EAD

We will use actions to retell a story to music, then sing and perform a group song.

## UTW

We will be learning about animals, starting by thinking about sorting objects into living and non-living.

The class page on the website is a great way to see what we have been doing. I'm sure the children will be proud to show you what we get up to!

Thank you for your continued support,  
Miss Pritchard, Miss Clarke and Mrs Govender.
