Apple Class

Phonics

This week, we will be consolidating all of the phonemes and tricky words learnt so far this term.

Maths

This week, we will be learning all about the numbers 16-20, including representing the numbers and the composition.

Literacy

We will be reading books all about castles and learning fun facts!

UTW

We will be on the hunt for worms this week! We will learn all about why they are important and make our own wormery!

EAD

We will start designing our very own 'magic ring' for our Art project in June!

EAD

In Music, we will interpret symbols to show a change in speed.

The class page on the website is a great way to see what we have been doing. I'm sure the children will be proud to show you what we get up to!

Thank you for your continued support,
Miss Pritchard, Miss Clarke and Mrs Govender.
