Apple Class

Phonics

We will be learning the phonemes sh, ch and qu. We will also learn the tricky words was and my.

Maths

We will be using a part-whole model to combine two groups of objects (total within 5) and recalling how many are there in total using addition facts.

Literacy

We will be listening to the story Mr Benn-The Zoo Keeper. We will think carefully about the characters and setting.

PE

We will continue our travelling, pretending to move like different animals.

EAD

We will explore beat through body movement and learn to express feelings and emotions through movement to music.

UTW

We will be going on a hunt around school to find things that are living.

The class page on the website is a great way to see what we have been doing. I'm sure the children will be proud to show you what we get up to!

Thank you for your continued support,
Miss Pritchard, Miss Clarke and Mrs Govender.
