

This week, we will use everything we've learned about animals to invent our own imaginary creatures.

Phonics

Year 1 - we will be revisiting the graphemes i (find), o (robot), o (won), c (ice) and g (giant)

Tricky words - work, mouse and many

Reception - introducing ai and ee

Tricky words - her and all

History

Year 1 - we will be comparing three periods of time.

Reception - we will be sorting pictures into past and present.

Art

Year 1 - we will be combining techniques in a woven artwork.

Reception - we will paint our 3D clay animals.

Maths

Year 1 - we will be counting objects in twos, fives, and tens. We will also be recognising all coins and notes.

Reception - we will match items thinking about what is the same and different about them, identifying their common properties and sorting them. We will also copy and continue patterns.

Vocabulary Ninja

Protect, stripes and colourful

Please try and "sprinkle" these words at home.

What a fantastic half term we have had. It has been engaging, exciting, and memorable! We are incredibly proud of the children. I can't quite believe we are half way through the academic year already!

We really hope you have a restful break.

As always, keep checking the class page for pictures and videos. We are sure the children will be proud to show you what we get up to.

Thank you for your continued support.

Miss Lancaster and Miss DeRosa
