

Pine Class

Wb 18th May 2026

English - This week we will continue to create our innovated book based on the original 'The Tale of Peter Rabbit' by Beatrix Potter.

Maths - Addition and Subtraction

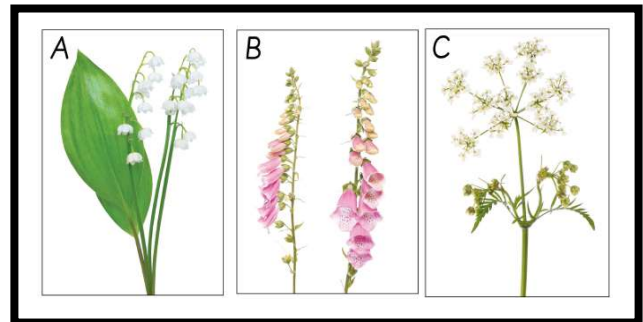

This week we will applying our knowledge of addition and subtraction and use jottings to add two numbers using exchange where required.

How can you add these numbers?

Spelling - This week we will focus on the /ɒ/ sound spelled 'a' after 'w' and 'qu', for example, wasp, swamp, wash.

Science - This week we will identify a variety of flowering plants and understand the role of a botanist.

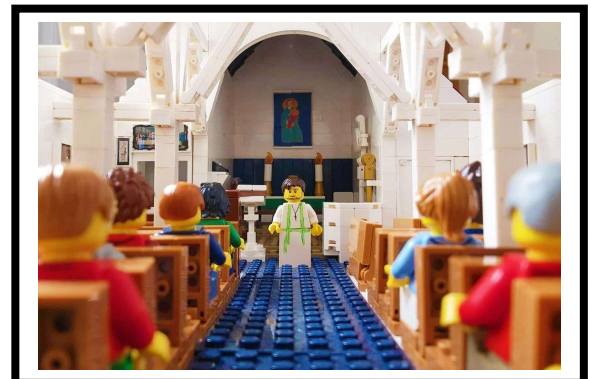

ART - This week we will continue to work on the art for the exhibition on Saturday 13th June.

GEOGRAPHY - This week we will explain what the coast is.

PE - Games - Over arm throw.

PSHE - What can help us grow and stay healthy?

Reading - A reminder to colour a numbered section on the Reading Rocket each time you read at home.

RE - This week we will build a model of their church using boxes, lego or construction.
