PE: Striking and Fielding - Rounders

DT: Healthy and Varied Diet

In our **Maths** lessons we will be following the Lancashire Red Rose Mastery Scheme
 In our **English** lessons we will be studying these topics: Mystery/Fantasy and
 Explanation text

Spellings

Please continue to support your child to learn and practise their weekly spellings. Weekly spellings can be found in your child's homework diary and on the school website class pages.

Moving on...

We appreciate that your child might be feeling a little nervous about the prospect of leaving their current class. Please rest assured that all relevant information is passed on to their new teacher in advance of the coming school year. Your child will also be given the opportunity to visit their new room and teacher before the end of term.

Year 4 WOPPs

Please help your child to remember that instruments **must** be in school every **Tuesday** and look out for information about **Pendle Proms!**

Reading

Please remember that your child needs to use their reading book bag daily as a way to transport their book and record to and from school without the need for bulky backpacks. We will be collecting these in at the end of the term to pass on to their next teachers.

Year 4 TTRS

Thank you for continuing to support your child with their learning of times tables.

Y4 will be completing their national test in the next few weeks. Please reassure your child that this is only a snapshot of their attainment and they should feel very proud of their achievements in this area.

It is vital that your child continues to keep up with regular practice as this is essential knowledge ready for Year 5.
