

## Pine Class

Wb 8<sup>th</sup> June 2026

**English** - This week we will continue to explore our new text 'Traction Man'. We will discuss the character traits of Traction Man and use the past tense to write a diary entry.

## Maths - 2-D and 3-D Shape

This week we will continue to describe 2-D and 3-D shapes. We will sort shapes and describe 2-D shape symmetry.

Kim is printing with shapes.  
She has made these prints using one shape.

Which shape did she use?  
How do you know?

**Spelling** - This week we will focus on the /ɜ:/ sound spelled 'or' after 'w', for example, work, world and worse.

**Science** - This week we will consider the properties of materials to answer the question, 'Is the Gingerbread Man waterproof?'

**DT** - This week we will use pictures and words to convey what we want to make.

**GEOGRAPHY** - This week we will explain what the coast is.

**PE** - Athletics

**PR SHE** - How do we recognise our feelings?

**MUSIC** - This week we will read and clap a rhythm based on a phrase from a story.

**RE** - This week we will listen to the story of Moses.
