

Holly Class
Monday 8th June

Our Phonics quizzes take place this week. Please be assured the children are experts at the routine of completing these already and scores will be shared on your child's end of year report. Thank you so much for your support in preparing your child to be their best – we're all so proud of them!

English – Describe characters and events in our story, No-Bot.

Maths – Measurement (Capacity and Volume)

Science – To describe the properties of a material and order a simple method... is the gingerbread man waterproof?

Phonics
Recapping a variety of phonemes, and practicing our super reading skills.

Geography – To investigate how people use their local coast.

Music – To hear, write and clap rhythms based on a phrase from a story.

DT – To develop a food vocabulary using taste, smell, texture and feel.

RE – To talk about why some people are particularly special to us.

PRSHE – Growing and Changing:
How can I help elderly people in my family and in the community?

PE
Athletics

Thank you for your support, Miss Zak and the Holly Class
