

Pendle Primary School
Autumn Term 2026
Years 3 and 4

Miss Ridgway Mrs Schofield Mr Taylor Mr Morris Mrs Mercer

This term, in the following subjects, we will be focusing on:

Science: Electricity and Circuits

Geography: Who lives in Antarctica?

History: Stone Age to Iron Age

RE: Christianity

Music: Year 4 WOPPS/ Year 3 Ballads

PE: Orienteering /Net and Wall

DT: Simple Circuits and Switches

Art: Prehistoric Painting

In our **Maths** lessons we will be following the Red Rose Mastery scheme for Year 3 and Year 4.

In our **Literacy** lessons we will be studying these topics: Explanations, Fantasy and Film and Play Scripts 

PE

Please ensure that your child has a **full outdoor and indoor PE** kit in school. This continues to be vital at this time as most of our physical education sessions will take place in the fresh air.

It would be extremely helpful if your child's PE kit was named, including pumps/trainers, and remained in school until half-term washing.

By Year 3 and Year 4, there is a greater emphasis on your child taking ownership for their equipment by ensuring it is returned to their pump bag after each session.

Times Tables

TTRS will be updated and transferred to new classes as soon as possible.

Please help your child with the following times tables **and ensure that they complete their weekly TT sessions**. Knowledge of times tables supports their mathematical learning throughout school and beyond. Failure to complete their weekly sessions will result in a loss of play to learn and revise these tables.

Year 3 - 2,3,4,5,8,10

Year 4 - 2,3,4,5,6,7,8,9,10,11,12

Reading Books

Reading books should be taken home each night so that your child can continue to practise this most important skill. It would be most helpful if you could add your comments to the homework diary and ensure that the reading packet is **returned to school each day**. School reading can be supplemented through magazines, library books and general reading out of school too.

Reading for 10-15 minutes each night will have a real impact on your child's progress in school and we hope you both enjoy the experience.
