Cherry Class Topic Letter

Autumn 2

Monday 9th November

Dear Parents and Carers,

Welcome back! We hope you all had a lovely half-term break. Thank you so much for your continued support in helping your children settle into Cherry Class.

Our topic for Autumn 2 is **Superheroes**!

Science – In Science, we are exploring the seasons and weather. The children will be learning the names and order of the seasons and the weather changes that happen across the four seasons.

History – In History, We will be exploring what history is and making a timeline of our life events.
To support this learning, please could you send in four photographs of your child:

- As a baby
- At a special event (for example, a birthday, getting their first pet, a special celebration, or a family event)
- On their first day in Reception
- A recent photograph

We will use these photos to help the children create their own personal timeline and celebrate the important milestones in their lives.

DT (continued) – In DT, we will be investigating, designing and creating our own playground equipment.

On Friday 27th November, we will be having a Superhero Day! The children are welcome to come to school dressed as a superhero, either a favourite character or one they have created themselves. Please do not feel that you need to buy a special costume - a tea towel or pillowcase can make a wonderful superhero cape!

Just a few reminders from last term:

- Please ensure your child's PE kit and outdoor PE kit have been returned to school.
- Send a named water bottle to school every day.
- Please check that all clothing is clearly named, as we had quite a few lost jumpers at the end of last term.
- Remember to sign your child's reading record each time you read together.
- Please also sign their gameboard so we know they have completed their reading.

- Book bags should have only one small keyring attached, as larger or multiple keyrings make them difficult to fit into the trays.
- Please empty book bags regularly and remove any pictures, letters or other items that are no longer needed.

As always, we will be sharing lots of our learning on the class page, so please do keep checking it and talking to your child about what they have been doing. We will also be in touch throughout the term with any further updates and events.

Thank you again for your lovely support. We are really looking forward to another exciting term with the children.

Best wishes,

Miss Lancaster and Mrs Whitwell
